48. The teacher of each school is accountable for the safe-keeping of the furniture and other school property, the order and discipline of the pupils, and the execution of all rules and regulations of the General and Sub-Boards.

49. Sub-assistants shall have charge, under the supervision of the preceptress of the record books of the Grammar Schools in which they are pupils; shall be employed to give instruction in any school during the temporary absence of the teacher, when required by the Sub-Board, and shall perform such other duties as may be assigned to them.

50. Teachers are required to make themselves familiar with these regulations, and especially with the portion that relates to their own duties, and to the instruction and discipline of their respective schools, and to see that these are faithfully observed.*

RULES RELATING TO PUPILS.

51 Good order and propriety of deportment, not only during school hours, but in coming to and leaving school, and cleanliness in person and attire, are expected from all. Pupils are required to keep all books clean, and the contents of the desks neatly arranged; to enter and leave the room in a respectful manner, and without noise; and to quit the neighborhood of the school in a quiet and orderly manner immediately on being dismissed.

* A copy of these Rules and Regulations to be placed on the wall of the school-room is Form No. 10.

52. No pupil shall be allowed to throw pens, paper, or anything whatever, on the floor; to mark, cut, scratch, chalk, or otherwise disfigure or injure, any portion of the school-building, or anything connected with it; to use tobacco in any form; to use a knife in school; to play at any game within the school-room; to use any profane or indelicate language; to nickname any person; to throw stones or other missiles; to annoy or maltreat others, or do anything that may disturb the neighborhood or the school.

53. Continued irregularity, frequent absence, tardiness in attendance, immoral conduct, or a neglect on the part of a parent or guardian to furnish the necessary school-books, unless satisfactorily explained by such parent or guardian, shall be sufficient ground for suspension or dismissal.

54. Absence for four days in any month, unless caused by sickness or the presence of a contagious disease in the family, (of which the teacher must be informed before the expiration of the fourth day,) or when authorized in writing by a Trustee, subjects the pupil so offending to a forfeiture of his or her seat.

The seat of any pupil who shall be absent more than twenty consecutive school-days, *from any cause*, shall be forfeited; but those who may be detained by sickness shall have preference, on returning, in admittance to school, over others.

In making up the monthly reports, the absence of any pupil, when more than *five* consecutive days, shall not be included in the "aggregate number of days' absence."

55. Parents shall in all cases be notified in writing* when the non-attendance of their children has accumulated so that two additional half-days' absence will subject them to a forfeiture of their seats.

* Form No. 6.

56. No pupil shall be admitted into school after the opening without an excuse in writing from the parent or guardian.

57. Pupils of female schools are not allowed to dispose of tickets for concerts, exhibitions, &c.

58. For violent or pointed opposition to authority, in any particular instance, a teacher may *suspend* a pupil for the time being, and shall immediately inform the parent and the Sub-Board. If not restored by the Sub-Board within five days, the pupil shall be considered as *dismissed*, and the name shall be stricken from the roll.

59. Any pupil under censure who shall express to the teacher regret for his or her bad conduct, as openly and explicitly as the nature of the case may require, and shall give promise of amendment, shall, with the previous consent of said Sub-Board, be reinstated.

60. Certificates* of merit shall be given, at the close of each month, to all pupils who have received no demerit marks for attendance, deportment, and recitation.

61. Reports of absence, deficiencies, and disobediences,† or of the average marks,‡ shall be sent, at the close of each month, to the parents or guardians, to be signed by them and returned to the teacher.

62. Pupils whose parents or guardians are in indigent circumstances may obtain the use of books, &c., from the Treasurer on a written application,§ in such form as shall

*For Male Grammar Schools, Form No. 11; for Female Grammar Schools, Form No. 12; for Male Intermediate Schools, Form No. 13; for Female Intermediate Schools, Form No. 14; for Secondary Schools, Form No. 15; for Primary Schools, Form No. 16.

be prescribed by the Board, approved by the teacher of the school, and by two members of the Sub-Board; but in all cases such books shall be returned whenever the scholar shall leave the school.

63. If the books are not returned as required, the pupil shall not be allowed to enter any public school in the city.

64. The *pupil's* duties to the TEACHER are obedience, respect, and attention, industry, punctuality, and regularity, truth, frankness, and honesty; without these there can neither be success in study nor the formation of that character which it is the object of the school to promote.

65. The *pupil's* duties to the SCHOOL are kindness and propriety of deportment and honesty towards his school-mates, with regularity of attendance, proper conduct on the way, and a due regard for the character of the school.

66. The *pupil's* duties to the TRUSTEES are those due to persons who labor gratuitously for their benefit. They are to be treated with respect when met, welcomed to the school when they visit it, and their words of advice or caution attended to as those, next to parents and teachers, of their best and most disinterested friends.

SCHOOL HOURS.

67. The schools shall be opened punctually at 8½ o'clock, a. m., from April 1 to October 1, and at 9 o'clock from October 1 to April 1; and closed at 3 o'clock. p. m.

68. During the morning a recess of fifteen minutes shall be given at 10½ o'clock, and of sixty minutes at 12 m.

69. In the Primary Schools the teacher may allow the pupils in each class a recess of not more than five minutes after each recitation.

70. No change in the school session in inclement weather is allowed. In extraordinary cases special permission can be obtained from the Sub-Boards.

EXAMINATION.

- 82. An examination of the several schools shall be made before the close of each school year, under the direction of the General Board; and all pupils absenting themselves from such examination, without cause assigned, may be suspended or dismissed by the Sub-Boards.
